

As of March 19th the Recorder's Office will be closed to the general public. Documents for recording may still be mailed, sent thru e-recording and/or dropped off. Attorneys, Title Companies, and searchers will be able to come into the office for searching; but, "social distancing" will be adhered to, therefore we will only allow 2 individuals in the office at the same time for searching. Staff will continue to be available via email and/or telephone at 815-434-8226 to address any questions during normal business hours of 8:00 am to 4:30 pm Monday through Friday. As always information concerning the Recorder's Department can be found on the county's website www.lasallecounty.org.
